RATE INFORMATION. The Dividend Rate and Annual Percentage Yield (APY) on your Associated School Employees Credit Union (“ASECU,” “Credit Union”) accounts are set forth above. The APR and APY are variable and subject to change at any time solely at the discretion of the Credit Union, without notice or limitation. The Annual Percentage Yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. The APY is an annualized rate, based on a 365-day year. A withdrawal will reduce earnings.

COMPOUNDING AND CREDITING. Dividends will be compounded and credited as set forth above. The dividend period begins on the first calendar day of the dividend period and ends on the last calendar day of the dividend period. For example, the beginning date of the first dividend period of the calendar is January 1 and the ending date of such dividend period is January 31. All other dividends periods follow this same pattern of dates.

BALANCE COMPUTATION METHOD. Dividends are calculated using the average daily balance method which applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period. If you do not maintain the stated minimum average daily balance to earn dividends in your account, you will not obtain the disclosed APY for the applicable balance provided above.

ASECU

ACCRUAL OF DIVIDENDS. Dividends will begin to accrue on cash and noncash (e.g., checks) deposits on the business day you make the deposit to your account. If you close your account before accrued dividends are credited, you will not receive the accrued dividends.

SERVICE CHARGES. Refer to the General Service Charge Schedule for charges that may be assessed against your account.

TRANSACTION LIMITATIONS. The Credit Union reserves the right, at any time, to require members to give, in writing, not more than 60 days' notice of intention to withdraw the whole or any part of the amounts so paid in by them. No member may withdraw savings that are pledged as required security on loans without the written approval of an authorized Officer of the Credit Union except to the extent that such savings exceed the member's total primary and contingent liability to the Credit Union. No member may withdraw any savings below the amount of his/her primary or contingent liability to the Credit Union if he/she is delinquent as a borrower, or if borrowers for whom he/she is co-maker, endorser, or guarantor are delinquent without the written approval of an authorized Officer of the Credit Union.

NATURE OF DIVIDENDS. Dividends are paid from current income and available earnings after required transfers to reserves at the end of a dividend period. The dividend rates and annual percentage yields are the prospective rates and yields that the Credit Union anticipates paying for the applicable dividend period.

DEPOSIT INSURANCE. Member deposits in this Credit Union are federally insured up to \$250,000 by the National Credit Union Share Insurance Fund (NCUSIF). This Fund is administered by the National Credit Union Administration (NCUA), a U.S. Government Agency, and is backed by the full faith and credit of the United States Government. Visit <http://www.ncua.gov> for more information regarding share insurance coverage.
